

Христос Воскресе / Christ is Risen!

This is the chosen and holy day, first of Sabbaths, king and lord of days, the feast of feasts, holy day of holy days. On this day we bless Christ forevermore.

Сей нареченный и святой день, един суббот царь и господь, праздников праздник, и торжество есть торжеств: вонже благословим Христа во веки.

(Paschal Canon, Irmose 8)

Indeed He is Risen! / Воистину Воскресе!

Paschal Greetings to all. May the Joy and Peace of the risen Lord be always with you.
